KH

Tony will be missed - May he rest in peace! Best wishes to your family.

Kelley Holloway - March 25, 2015 at 12:00 AM

KA

Tony was gifted in bringing joy to everyone. It is said, "Laughter is the best medicine" and Tony always had me laughing, even when I thought laughter was so far out of reach. Tony will always remain in my heart as a special uplifting spirit. May he relish in the Peace which has now come to him; and may his family know how his love for them was so evident in all he said and did. Love and Peace, Kay Aquilina
