Ethan I know that your in a better place now being protected by God. I know it was your time to go. With the time you spent here with us you have brought such joy and love to this family and for that I thank you. And know that mommy and daddy will always love you. We both pray that your at the gates of heaven when we arrive there upon the day of our passing to grret us and show us the way. I know that you are watching over us all to keep us safe. We'll try not to cry but it will be hard for we miss you so much. Daddy loves you with all his heart and soal. And remember Ethan, you'll always be "Daddy's Little Drummer Boy"

Dear Cousins, Dave and I extend our heartfelt sympathies to you. We're so very sorry to hear of Ethan's passing. God works in mysterious ways that we don't understand. I wish there were answers. May God hold you in his arms and comfort you at this time and always. God bless you.

Dear Russ & Family, I am so sorry that I was not able to attend. Please forgive me. I am not able to control my emotions and your familly did not need anymore. Please know that you and your family are in my hearts and prayers. God found a better need for your little angel and now you have a closer connection to God to watch over you. If you can find any comfort at all , let it be that your sweet darling baby boy is now in God's hands. Please offer my love and extend my sympathy to your wonderful family. After all these years, I still cannot figure out why bad things happen to good people. If there is anything at all that I can do to make things easier for you, just let me know. I will offer special prayers during the time of the funeral. Please give your little angel a kiss and a hug and remind he how much he is loved. God Bless you and your entire family. I cannnot even begin to imagine what they are going through and I can't seem to find the words to make it better. I offer my sincerest sympathy. Please call me if there is anything that I can do to help. Watch the skys and search for the new brightest star and there will be Ethan with his bright new halo shinning. Lots of Love,good thoughts, and prayers. May God watch over all of you during this time of need. Take care of yourself and your family. I hope to see you soon. With Love & Sympathy. Terri M.
