Hello Pidek family. I so loved your mom grandma; she was always so nice to me when I was growing up. She was always interested in what I thought and would get excited if I was doing well. After I moved away, she took me to lunch every time I came to town. Chris and Connie were a lot alike. They were interesting themselves, as well as interested in other people. They liked to have fun and family around them. They put themselves out for other people and were well liked because they sincerely cared. I will truly miss your mom and wish I could be there with you now. My thoughts and prayers are with you today. Love Janice
