Becki, we know you poured your heart and soul into "your Gigi." You were surely an immeasurable blessing to her, especially in her final days. We don't know Gladys, but we know you. She had a granddaughter she must have been very proud of and very grateful for. May the peace of Christ carry you as you adjust to Gigi's leaving. John can't be there on Saturday, but I sure look forward to hearing some more great memories. Love and prayers to the whole Konkel and Cutter families during this time. John and Patti xxxooo
