“ So sorry for your loss to the loppolo family. I have lived next to Andrea and Ken now for 37 years and seen first hand how important it was for Ann to be involved with her family. Andrea has done an utmost job at securing her mother's world as main caretaker. I know it will be hard for her to let go of her everyday duties that she has done for her mom. So may God reward her as only he can. May Mr. loppolo, Andrea and her family morn in peace and be guided by the Lords warm light. And may Ann rest in peace with the Lord and be free of pain at last. Amen.
Love and blessings, Gregg and Susan.

“ My mother was an incredible woman. There is so much you can learn from a mother like her. She worked so hard and everyone came before her. What a beautiful quality. She was so funny all the time, and her and I just had a blast messing around with each other. I loved that about her.

She will be missed, but I look forward to seeing my beautiful mother again in paradise when she comes back in the resurrection.

“ I will always remember the many nites I spent at your house. Your mom and dad treated us as theirs! Aunt Ann Marie would always let Andrea and I go down to the dairy queen at the corner and get my favorite frozen bananas with chocolate on them....the days spent swimming in the "home made" built in pool were great...many more memories...and of course when her and Aunt Meldy and my mom got together they were funnier then hell! I will miss her but thankful for all the memories.

“ Just as I remember her. She was a warm and beautiful fun loving lady. When those Schimmel sisters got together they had us all in stitches. I never liked pizza until I had Aunt Anne Marie's home baked pizza. I knew my mom was furious with me when she called me "Judith Anne Marie!!" Bit I didn't mind because I liked the reference to one of my favorite Aunts. Rest In Peace beautiful soul. Judi Shelton Rudisill

“ Sharing condolences with the Ioppolo family on behalf of the family of Eugene (Gene) Schimmel who was Ann's older cousin. Their fathers were brothers. My father was the last of his siblings to pass away in 2014 at the age of 92.

“ I will always remember Ann as being a fun loving person to be around..I have a lot of fond memories of her, one that stands out is when Ann, Andrea and I went to the Zoo with her and there were guys working in the trees, probably cutting and trimming, and she said out loud,"Look at the monkey's in the trees!" There really was never a dull moment around Ann..I truly enjoyed being around her, because you were for sure going to be laughing..I remember when she drove bus and I would go over to the house on Auburn to babysit little Tony and Leo until she got home..I just truly loved her and I will miss her. My deepest sympathy to all of her children, grandchildren and extended family.

“ I've known her as Grandma Ann since I was young. She was warm and loving and funny. She was always encouraging and always had a knack for giving sweet compliments just when you really needed one. I loved her gruff little giggle. I remember the "popcorn" blanket she crocheted for Amber, and how hard I tried to recreate it. She made you truly feel like family, and I know I'm not the only one. It's comforting to know she's resting peacefully until she can see her family again.

“ Memories of Ann go back many years and always bring a smile to my face. She always made me laugh with her sense of humor and she was just so easy to be with.

The treasure she introduced me to was the truth from the Bible and this is something that I will never ever forget as long as I live which will hopefully be forever in paradise on earth.

I look so forward to seeing her again enjoying laughing and talking in paradise when she comes back in the resurrection that has been so lovingly promised in the Bible by our loving heavenly father Jehovah.....John 5:28-29

“ Ann was a wonderful person. When I was a new school bus driver, she took me under her wing and became like a second mother. She had no enemies and had a great sense of humor. I just loved her. My deepest sympathies to her family. I have years of good memories to look back on.
