“ I had some much fun remembering Aunt Audrey and her chicken dance. She had that down to a real talent. Had so much fun with her when she visited mom. She and Mom and my kids went to the Zoo, the Beach and the Tarpon Springs with the Sponge Docks. Wonderful memories I have. She is a real ray of Sunshine. She was a real knock out, a real movie star beauty queen. Look at some of the pictures I found in our collection I shared on the wall. I will forever remember her terrific humor.

“ Much love to Karen, Kim and Bob!! Your Mom was such a very special part of my summers as a child! I can still see her standing in the drive, welcoming us with a bright smile! She (and your Dad) loved my Mom and Dad and Uncle Larry & Aunt Donna so much— but she always made us KIDS feel so loved! She wanted us to have fun— and we enjoyed every picnic! I embrace those memories— and today, trust that our risen Savior will embrace you in this time of sadness. Much love to you.

“ Audrey sure did light up a room when she walked into it! She made people feel good and I always enjoyed talking to her.
