“ I met Bruce at St Thecla while dropping off Olivia at preschool years ago ! Right away I seen the love he had for his granddaughter . After becoming friends with Eric and Sandy thru are kids I was able to see the love he had for his entire family. He was a beautiful person and I was a lucky person to have known him . My condolences to Carol and the rest of your beautiful family !

“ My papa taught me to fish, swim and would race around the pool together. He always took us to the cookie shop, to get donuts, and to metro beach. He was the best papa and I miss him very much.
Love always Olivia

“ Me and grandpa had taken the dogs to the park to swim, but my favorite part was when we got Steak n Shake and had a picnic on the grass in the middle of the parking lot. He was a simple man and that taught our family a lot. We will never forget you.
