“ Buzz and I grew up together, as we lived across the street from each other. We were fairly inseperable from early childhood through our early 20's. Buzz was always fun to be around, and we had many great times together, from driving out to Colorado to playing music in bands with Rob Olsztyn, Dan Chase, Leo Lafler and many others. Buzz was a very accomplished bassist, and a pleasure to collaborate with. Although we drifted apart over the years, I thought about Buzz often. It is very sad to think that he is no longer a phone call away. My prayers and sympathy go out to his family, and all the lives that Buzz touched in his life. May he find peace and joy in his journey with God.

Love,
Bill

“ I have fond memories of Buzz. He always made me laugh with his humor and quick wit. Although it has been many years since I had seen him I always considered him a friend. I pray for the Lord's peace for his family.

“ We had so much fun in our band “Celebration” years ago! Buzz always kept us laughing! He was a great guy and talented musician! I hadn't seen him in years but in my heart I know he's in a better place. God rest his soul. My heart goes out to all the family. Thanks for 'the music' and the memories Buzz Janice
