

## Christopher James Mies

November 29, 1982 - February 13, 2021

Chris passed away suddenly from a pulmonary embolism on February 13, 2021. Chris was the beloved son of Janice and Jim Mies, the wonderful big brother and best friend to Alex, playful Uncle Chris to Oliver and companion to his beloved dog, Thor. Chris attended Cranbrook Schools from pre-K to graduation, playing hockey and lacrosse. He then attended Lake Forest College for a year, transferring to finish his college career at Albion College. Over the years Chris also took classes in IT and other areas of interest at Oakland University and Oakland Community College. Chris was truly the smartest person in the room and had a variety of interests in which he excelled. He had many certifications in the networking area, had a woodworking business making cutting boards and furniture, built and sold gaming computers, was an accomplished photographer, was an avid reader especially concerned with social justice, loved to ride his bike locally and at The Lake, loved to fish with his cousin, excelled in the kitchen, making dinners for family and friends. Chris loved to plan and prepare food for an annual Christmas party - he would have a wide grin during the entire party. Chris will be treasured because he has the kindest heart. He felt compassion for anyone in pain and would offer to help without hesitation.

Family visitation at Wm. Sullivan and Son Funeral Home, 705 W. Eleven Mile Road (4 blocks E. of Woodward), Royal Oak, MI. Funeral Service at Christ Church Cranbrook, 470 Church Rd., Bloomfield Hills, MI, restricted to 10 family members only.

In lieu of flowers, Chris would have preferred contributions in his honor to the Pope Francis Center (<https://popefranciscenter.org>) for homeless. Share your memories at <http://www.sullivanfuneraldirectors.com>.

“ Chris was much more than a friend to me, he was like a brother. God placed Chris in my life during one of the most difficult times in my life and for good reason. He was always there for me, through good and bad and helped me through so much, which demonstrated just the type of person he really was...caring and dependable, one of those friends you could call at 2 am and he would be right there for you, no questions asked. His passion for life, cooking and friendship will be irreplaceable, but the legacy and lessons he left behind will stay with me forever. I thank God for giving me the time to get to know this beautiful person and weaving him into my life. Even though we went our separate ways over time, He encouraged me when I was down, helped me when I was weak, and was always a friend. My life and the world in which he affected are much better as a result of his influence as we move on after his passing. God bless you Chris Mies and thank you for being my friend.

“ Dear Jim and Janice,

We are so saddened to hear about the passing of your son, Christopher. We remember staying at the Lake in your lovely cottage, and the boys were there. We had such fun with you; Jerry and Ann, Phil, the Schraders, and all the "kids" that were there. We can't imagine your pain. Please know that our prayers are with you and your entire family.

Love, Frank and Cheryl

“ I have many great memories of Chris, and what I will always remember most is his caring spirit. Being there for others came natural to him, as he lived with honor and passion.

Thank you Chris for being a great and true friend.

“ One of the clearest memories of my childhood with Chris was swimming at The Lake. Chris storming down the dock at full speed, huge grin on his face, big splash! It's been awhile, but miss you Cousin

“ Chris was a fantastic person and a even better person at the Ice rink. This is heartbreaking news and saddens me deeply. Memories of gowning up together will never be forgotten. Miss you pal...
