

Donald W. Wyrembelski

April 14, 1970 - November 3, 2019

Don Wyrembelski Age 49 of Ferndale, Michigan

Passed away on Sunday, November 3, 2019 in Royal Oak, Michigan

Born April 14, 1970.

I hate that you all have to read this. I wish that I could call everyone that ever knew Don and tell you all individually because Don is worth the extra effort. He would disagree with me but he is. Don is the air in my lungs, my heart. I never knew or understood what that meant or how that felt before I met him. When we met it was instant, I mean that literally, him touching my hand was like a lightning bolt in my body that woke me up. Don was so impressive and I was SO PROUD that he was my partner. I could not wait to introduce him to new people and would almost shout it out, THIS IS MY PARTNER DON. I would rush home from work every day just to tell him about how shitty it was and to hear how shitty his was and it was perfect.

He was smart, so freaking funny, so good with his hands, so organized and that drove him crazy because I tend to be a bit messy. He really liked being so handsome LOL and I loved it too. And he shared his entire self with me. I got to see and feel all of his affection and how he was always, every day, was trying to protect others from pain. He was so strong and with me he could be vulnerable and I with him. I've experience loss before but I'm drowning in it, I can't breathe and I am not the only one to lose this AMAZING MAN. His mother, his sisters & brothers-in-law, his nieces and nephews all have lost such a good, strong, funny, excellent dancer, great joke teller, dude who always took over the radio at any gathering so he could play the best music.

He was more than my partner, more than my best friend. When I say soul mate I understand that term now. When he was near me I could breathe, I could just BE. I wanted to marry Don and would joke about him asking me when I should have just asked him. I had him for just under 10 years when 100 would not have been enough.

As Don loved to say, GLAD YOU GOT TO SEE HIM.

Beloved Partner and Best Friend of David Lenzian

Loving Son of Stanley Wyrembelski, and Lorraine (the late Bob) Liebler.

Dearest Brother of Lisa (Dan) Durecki, Sheryl (John) Silva, Stephanie Wyrembelski, and Stacy Wyrembelski.

Uncle of Nick, Kara, Gabrielle, Austin, Jennifer, and John.

“ He was my little brother since he was 11 years old. I watched him grow into a beautiful man with a glorious spirit and soul. I envied his style, panache, and attitude. He lived every day like there was no tomorrow. I looked forward to every time we got to see each other. As soon as we were together I felt the warm comfort of family. Of love. Of commonality. We were true brothers. Maybe not of blood, but of spirit. This missing piece of my heart will never heal. Only love can assuage the pain. Farewell Polish prince, until we see each other again on some different plane.
