“ There truly is not enough room for all the wonderful things Duane was a part of and the help he gave others. I met Duane roughly 10 years ago in the body shop. He saw my bible, we began to talk and from then on he always watched over me in my many jobs in the collision industry. 8 years ago he recognized my current struggles and took me as his guest to Camp Barakel's Men's Retreat. We have gone together every year since. Even when I wasn't going to be able to he always made it so that I could go. Every morning he sent me scripture which I always needed. I will truly miss you my brother. But God's Word tells us a thousand years is but one day to the Lord so brother, I won't say goodbye... I will say I will see you soon. I love you my dear brother, my brother in Christ.

In Him always,
Jimmy Bickford

“ Duane was an awesome man of God. But of course. If you knew Duane I'm only telling you what you already knew. Duane was always ready to serve however, whenever and whenever God called. He was an example to me to boldly preach the gospel of Christ wherever I am. You will be dearly missed, my brother. See you in heaven.

“ I did not know him as well as most but the stories of a Godly man and his love of Christ gives comfort at this time as his family and friends will be feeling the loss. This is how I will remember him;
Luke 14:27 whoever does not bear his own cross and come after me cannot be my disciple
He did carry his cross and he is in glory now!!

“ Duane has been my friend and spiritual father for many years. He was a unique man who loved our Lord greatly and did what others would not do. He prayed endlessly for so many daily, collecting prayer needs and requests and sending out regular emails and text messages with these prayers. Every day for years he sent me scriptures daily in the very early morning hours. He carried a large wooden cross on his back at his church and at other events praying and demonstrating his active love for Jesus. He engaged countless people boldly with the love of Jesus and the Gospel of Christ.

What a void his larger than life Godly presence will leave for so many. I had the distinct privilege of his care and kindness for many years. He deposited into me so much Godly wisdom and insight over the years. I can't imagine life without him.

Duane, You will now enjoy the eternal reward our Savior has prepared for you. God's love is the treasure you now enjoy for all eternity.

To Diana and the entire Mersino family I extend my most heartfelt condolences at the loss of your patriarch. May our Lord grant you peace and comfort at your great loss.

God Speed, my dearest friend and brother, looking forward to seeing you again.
