

Edward Klatt

November 2, 1935 - January 7, 2021

Loving husband of Marlene, father of Denise Gohl, Edward III (wife Susan), Valerie Bass (husband Mike), Michael Klatt (wife Judy), David Klatt (wife Therese), and Reneé Bittinger (husband Paul). Ed is also survived by 17 grandchildren and 17 great grandchildren.

Ed was a humble, hardworking honest man who spent most of his free time golfing and boating at his favorite place and home in Canadian Lakes Michigan. Ed and Marlene lived in a park-like setting with beautiful views of the golf course and lake Laura. This is where Ed loved to garden and build things. He loved animals and spending time with his beautiful Shetland sheepdog, Lacie Isabella.

During his younger years Ed loved to ski, snowmobile and sled with his grandchildren. Ed was a gentle soul who was always smiling and showed an endearing kindness that no one will ever forget.

During his working years, Ed worked for a design firm and led a team that developed the first power seat for large trucks. He then went on to a long successful career at Chrysler, working in engineering design before retiring as a supervisor.

Ed and his wife Marlene built a home that honored love and respect, always putting others first.

“ I have known Ed since the early 50s and Marlene when they got married. They were always gentle with kind words and a permanent smile. I have never wanted to make either one of them frown. Maybe some day I will play a round of golf with him on the Lord's course.

“ I had the pleasure of meeting Ed at Paul & Renee's Christmas parties and a couple of more intimate visits. He was always engaging and ready with a joke and a smile. A gift for those who knew him and certainly a treasure for his family. A wonderful person, father, grandfather, uncle, friend....I'm certain he will be missed, remembered, and live on for generations through the memories and stories he helped to make. RIP Mr. Ed Klatt...a true gentleman, they don't make them like they used to.

“ Any time I asked Ed, how he was, he always answered, "As good as can be expected." We always joked, the two brothers (Ed and John), and I, as to who was the "#1 brother." I was "#1," because I was the oldest brother. Ed, I Love You, and I will Miss You. Leo, the "#1" brother.

“ I have such wonderful memories of our family trips back to Michigan, from Colorado. Mom (Jan), and Dad (Leo, Uncle Ed's oldest brother), would put the three of us kids in the car, and off we'd go to visit "the Klatts" in Michigan. We were "the Klatts" in Colorado. All 6 of Uncle Ed's kids, along with Kelly, Kevin, and I, had so many fun times together. 9 kids and 4 adults, something was always going on! There was never a dull moment. Uncle Ed and Aunt Marlene, always welcomed us with open arms. I will always remember those vacations, as they hold a special place in my heart. Uncle Ed, you were always so kind and gentle, so soft spoken too, always with that wonderful smile on your face. I can still hear you call my name. You were my Uncle, and my Godfather too. I always felt close to you. I still can't believe you are gone. I know you are in Heaven, looking down on us, saying that "it's all ok." You'll always have a special place in my heart. I Love You, Uncle Ed. Kimberly (Klatt) Schmit

“ Uncle Eddie was my godfather, I love him and Aunt Marlene so very much. I used to love going to their house as a kid and hanging out with my cousins. He is now in heaven with his 2 sisters one being my mom. God just got a new Angel. Thank you for all the memories and love.

Love,

Mickey

“ The first time I went to Colorado, to meet my dad Leo, uncle Ed was with dad at the airport. I was met by his beautiful smile and open arms. He helped make a “nervous, scary” moment much easier for both dad and I.
Uncle Ed and Aunt Marlene with mom Jan and dad Leo opened their arms and heart to me and helped introduce me to the wonderful Klatt family, I am truly proud to be a member of.
Go with God, Uncle Ed, we'll see each other someday and I'll see that wonderful smile and get more hugs. Love Ellen Bishop (née Klatt)

“ Uncle Ed was always smiling and gave us the biggest hugs when we traveled from Colorado to Michigan to visit. Being together as “the Klatt’s” were some of my fondest memories growing up.
I will always remember him as such a caring soul, an angel here on earth and now in heaven.
Love you Uncle Ed.

“ This is my favorite photo of the three brothers. Leo, the oldest, is wearing the light blue shirt. John, the youngest, is sitting on the left, Ed, the middle brother, is standing. This photo shows the love they share, and the fun times they have had through their lives together. To only know what they were laughing about, probably some memories from times past. What joy! What love!
