

Gregory S. Umstead

December 9, 1946 - November 6, 2020

Dr. Gregory S. Umstead (1946-2020)

Dr. Gregory S. Umstead was born December 9, 1946 in Sidney, Ohio to Helen and Kenneth Umstead and passed away peacefully, at home, surrounded by his family on November 6, 2020. He was the beloved husband of Carlene Umstead (née McNown) and devoted father of Patrick Umstead of St. Clair Shores, Mi. and Dr. Meghan (Matthew Gellert) Umstead of New York, NY.

Greg received his BS in Pharmacy (Cum Laude) from The Ohio State University College of Pharmacy and his Doctor of Pharmacy degree from the Philadelphia College of Pharmacy. During the 1970s, he was a pioneer in the development of clinical pharmacy practice at Ohio State University Hospitals in Columbus and was also a member of the faculty at the OSU College of Pharmacy. In 1978, he relocated to Michigan to join the faculty of Wayne State University College of Pharmacy and Health Sciences where he would continue to teach hematology/oncology for more than 40 years. He practiced at William Beaumont Hospital in Royal Oak, Mi. for 15 years and developed a collaborative oncology research program with the Department of Medicine there. His group participated in numerous national cooperative oncology studies and conducted sponsored research. He moved his practice to Ascension Health's St. John Hospital in 2007 and continued to care for patients there until just a few months prior to his passing. He was formally recognized as an outstanding educator and preceptor many times during his career by pharmacy students and residents with whom he interacted. His expertise in hematology/oncology pharmacy practice was well known and his advice and counsel regarding proper patient care and pharmacotherapy was frequently sought by colleagues throughout the region. He was honored by The Ohio State University College of Pharmacy with their "Distinguished Alumni Award" in 2017.

A 43-year resident of Huntington Woods, Mi., Greg served the community in many capacities. He was a planning commissioner and a member of both the Zoning Board of Appeals and the Historic District Commission. He was a member of the Royal Oak

Methodist Church and served as Treasurer for the Church World Services' annual "CROP Walk" for more than 30 years. In 2003, he received the City of Huntington Woods' Joan R. Peterson Memorial Community Service Award.

In addition to his immediate family, Greg is survived by a nephew, Kenneth Umstead, and a niece Holly (Richard) Knight and their children, Courtney and Madeline, all of Manassas, Va. and by numerous cousins. He was predeceased by his parents and by his brother, Larry Umstead. Friends from across the country will miss Greg's quick wit, his dry sense of humor, his generosity, and his loyalty.

Due to the Covid-19 pandemic and family wishes, there will be no funeral services scheduled. In lieu of flowers, the family requests donations to The Ohio State University College of Pharmacy Scholarship Fund or to a cancer research fund of their choice.

“ So very sorry to hear this sad news. Greg was a dear friend in those early school years in Sidney, a member of the band, a great trombone player but mostly just a warm and sharing individual and always present even right up to our most recent Class reunions. I will miss knowing that he is still among us and what a great career he had influencing and helping many. My thoughts and prayers are with him and his family.

“ Greg Umstead was a very kind person. I remember him mostly from elementary school. When a boy was being mean to me he helped me to get away from him and I have never forgotten his kind gesture. Rest in peace Greg

“ Carline, Greg was a gem of a man. It was a privilege to work with him and pure pleasure to have breakfast with him, Loretta Biskup and myself on occasion. I will always remember Greg with great fondness and admiration. Please accept my most heartfelt condolences to you at Greg's passing. I pray that God, the Great Comforter, will envelope you with His Love now and in the months to come.
