“ He was like a brother to me. Everytime we saw each other he always had something funny to say to me. It didn't matter if he was in the worst mood he's ever been in or if it was the best time of his life, he never failed to say something funny to make sure I'd laugh. Love you my brother, I'll see you on the other side.

“ I'm so sorry to the family for your loss right now. Teri, you've all been through so much this year. James was kind and funny and I'm sorry to see him go so young. I pray he is now at peace.
