“ The greatest man I ever knew. He lived his life to the fullest and his family was the most important thing as he enjoyed spending time with each and every one of them. Along with his 5 Grand children he got to enjoy 5 Great Grand children and 1 Great Great Grandson. I Love You Dad. Ruth

“ Ken bowled with my parents back in the 1960's, so I had known him a long time. He always seemed genuinely happy to see me at church and greeted me warmly.

“ I valued Ken as a member of Peace Lutheran and a brother in Christ. We often had exchanged hand shakes and a warm hello at the service. I remember sitting with him a few times when the school children hosted the memorial day service on the following Tuesday. When the veterans where asked to come up front to be recognized, we both were humble and reluctant to do so. I said, "I'll go up if you do"...and we both went up. It was an honor to be up there with him. Well done my good and faithfull servant! You have finished the race to life everlasting.

“ My heart goes out to the Lenz family over the death of their patriarch. Mr. Lenz was always very friendly to me. I looked forward to crossing paths with him at Peace! Sometimes we wouldn't see each other for a few weeks, but when we did, he always greeted me with a friendly hello and a smile! I loved that he would always remember my first name! He will be dearly missed.
