Comments

“ I am sorry to hear of Marie's passing. Just the other day I was reminiscing the days that I worked at St. Joe's West in the Emergency Room and immediately thought of Marie. That was 45 years ago when I was an Emergency Room Tech. Marie took me under her wing to help me grow in my role. Besides being compassionate and caring, she was a heck of a lot of fun! Wishing the family well during this time. Ron Austin

“ Although I have only known Marie for a relatively short time, I quickly came to know a woman with a warm, considerate and kind soul. She loved all living beings and had a loving heart larger than her physical being.
She welcomed my friendship and I enjoyed our interactions. She loved to laugh and she made you smile with her sense of humor.
She instantly made you feel special.
She loved her pets but especially loved her son Dan and her daughter Donna. She always talked highly of them and all they did for her. They took expert care of her and made her comfortable and saw to all of her needs.
I can only believe that she is once again in the presence of her beloved husband and young daughter she so deeply missed and they have welcomed her with longing, loving arms.
I was so blessed to have known her and I will never forget her. God rest her soul.
