

Bubba Glynn

June 13, 1951 - August 16, 2020

Martin "Bubba" Glynn, age 69, passed away on August 16, 2020. Beloved husband, high school sweetheart and best friend of Carol Ann O'Brien. Loving father of David (Taryn) and Timothy (Lindsay). Proud grandfather of Ava, Beckett, Liam and Georgia. Dear brother of Marianne (Wayne-late), Kathy (Rick), Maureen (Marty), Colleen (Michael), Eileen (Pat), Georgia (Tom) and Carrie (Jeff). Son of the late Martin and Georgia Glynn. Professionally, Bubba ran his own commercial/residential construction management business successfully for 30 years. Bubba graduated from Royal Oak Shrine High School in 1969 and his heart has always stayed with the school, especially its football program. His passions included pacing the sidelines at Shrine football games and spending time with his family on the shores of Lake Michigan where he and Carol built their dream home. His generosity, larger than life persona, and enthusiastic story telling will always be remembered by both his family and closest friends.

“ Dear Carol, December 1, 2020 I woke up and Bubba's name popped into my head. I haven't seen or heard from him in over 20 years; so, I googled him & was shocked to see he had passed. My deepest sympathy to you and your family. I have so many good memories of he & Cooney coming into Goodfellow Finishing. Bubba always had a smile and was always kind to everyone. My husband, Joe and my brother, John, would meet Bubba for breakfast in Royal Oak often. Joe would come home and say "that Bubba is so handsome" - He was handsome inside too! I don't know if Bubba is going round up there in Heaven and touching people he has known, but he touched my heart on this day. So very sorry Carol. Pat Woodgate Mckinnon Marsalese.

“ Carol & family:

I heard Bubba died, but I don't think I believe it. I was looking through old photos, and found my class picture from first grade, and there he was. I spent 12 years growing up with him at Shrine. Hanging out at Biff's, of course, but also Egg and I, Suzie Q, Cunningham's, Howard Johnson's, etc.. Along with David Henderson, I think we got thrown out of all of those places. Most of the time, for just sitting. But just sitting was what Bubba did best. He gift was his stories and the laughter he created. His own laugh was a beautiful sound. I hear it now.

We used to play touch football in the open yard behind the Brabant home. We would dream there. Of being heroes. Of winning the big game. Of riding off with the girl of our dreams. Bubba made those dreams come true. He helped us win the big game. No, he wasn't the strongest or the fastest guy. But he might have been the bravest. He might have been the toughest. And he walked off with the girl of his dreams.

We went from being kids to being grown ups around Vinsetta Blvd. We decided who we would be, what we would be, what would be important. Bubba chose loyalty. To his friends. To his school. To his church. But mostly Bubba was loyal to people. He shared a friendship with David Henderson, staying with him through some trying times. But Bubba has touched a lot of us with his magic. I always felt that when Bubba talked to me, I was the most important person in the world. The only person in the world.

Let's talk about magic. How did he ever find Carol? And she find him? I was with them when Carol was the Queen of the Court at Shrine in 1969. And I was with them when Bubba was inducted into Shrine Hall of Fame a couple years ago. He had the same dreamy look on both occasions. What a thing. I regret not have spent time with their sons and grandkids. I bet they turned out pretty good.

Bubba did very well, filling his life with a great family and friends. His magic brought people together, made them see the joy of life. He fought the good fight to stay with us as long as he could. I appreciate that, enjoying our friendship at our 50th Shrine High reunion. He may be gone, but it is getting close to fall, and I think I still see a sparkle in the air.

“ Hello. The last time I saw Bubba was at Frenz Hardware in Royal Oak about a year and a half ago. I walked in to buy some bolts for a project I was working on. Bubba helped me find the right parts, and as I was ready to pay for it, He offered to pay for it. Yes, he bought me a bag of bolts, haha. However, but what he really gave me, and what we always shared, was humor and a straightforward, common sense perspective on life. I will miss him and May God Bless the Glynn family.

“ Dear Carol, David , Tim and family,
My heart is heavy with sorrow this evening as I think about the loss of such a wonderful guy in our lives. I am also filled with very sweet and joyful memories of Bubba's teasing and high spirited laughter which always brought humor. Sooo enjoyed the back and forth repertoire of Bubba and my brother Rich.....always made me laugh til I cried. I send a heart full of peace and hope to all of you. You were loved and treasured dear Bubba. As my Dad would say "Vaya Con Dios," "Go with God my friend “.

What fun we had with the High School ski club in Colorado. Many great runs and also apres ski.

Improved the High School sports programs with some of our projects. Again so sorry for your loss.

“ My condolences to the Glynn family. Bubba, my brother Kev and I were teammates on Shrine's '68 football team. I remember him as a good guy and a good teammate. He was always very nice to me even though I was an underclassman. I would occasionally see him and Carol at Mr. Bs in downtown Royal Oak. He was always very cordial and I enjoyed chatting with him. He was the kind of guy that everyone naturally liked and will be missed.

“ Fondest childhood memories late 1950's. My dad Stanley Degorski, was the organist at The Shrine Of The Little Flower 20+ years. He also gave the Glynn sisters piano lessons & tuned their piano. Dad would come pick me up from Shrine grade school & head to that charming home on Fairlawn for weekly lessons. Bubba really didn't want to play with me. I had to stay outside til it was time to go home on Fernwood. There was one day I'll never forget ... Mrs. Glynn was making carmel apples in her kitchen for Halloween! I got to go inside their house and she gave me one to take home!

Most of our grade school classmates remember in 3rd grade, the tragic Kaiser family car accident, claiming the lives of the parents & 2 younger twin siblings (1958-59?). Kathy Kaiser, my best friend at the time, was Bubba's grade school crush for like 5 years! Kathy's grandparents moved into the Kaiser home on Northwood Blvd to raise Lynn, Butch, Allen, Kathy & Carl. Then they all moved to Brighton MI when we were in 7th grade. Bubba came to Kathy's house often. With Kathy having moved, I thought I maybe I had a chance! But it wasn't to be. Our Lady of Fatima/Oak Park was going to merge with Shrine HS our freshman year, and Carol O'Brien quickly swept Bubba Glynn off his feet. Heartfelt condolences Carol to you and your entire family.

“ Carol

I'm so sad to be dealing with this - Bubba was such a bundle of great memories and can't imagine enduring such grief for you - and a whole lot of family.

And I use the word 'Family" particularly today because we had such a privilege to be really a FAMILY for so many wonderful years growing up!

Losing parents was for all of us losing "our" collective parents -which was hard and shared because we were family

Now losing one of us - the children - seems SO MUCH SADDER

What a great guy he was and how lucky am I to have known him

There is a funny side to seeing his picture because I so connected him to

Coach Fracasa (sp?) and I died laughing at Bub's wonderful stories of the coach

Crazy!

I've had you in mind, Carol, since Annie called with news of Bubba's hospitalization

I hope you can find some peace and resilience in all of this

He was facing some serious illness even before he worsened

That he is not suffering anymore is the only solace there is

Take care of you and your family - I pray for your comfort

“ The Hill Family and the Glynn Family go back a long way! For many years there was either a Hill or a Glynn (or one of each) in every class at Shrine. We’ve joked over the years about being “related” as well, through the Hill/Caird/O’Brien/Glynn weddings. Bubba was a heartthrob, a fine athlete, a good friend and neighbor, and a great combination of a force with which to be reckoned and a mellow soul. He will be greatly missed by so many. We are sorry for your loss.

“ All of us have a childhood, best friend when growing up but I was exceptionally lucky and blessed that Bubba filled that role in my life. My family moved to Fairlawn opposite the Glynn family in the summer of '61. Bubba was my classmate at Shrine Grade for two years prior and he became our (with brother, Chris) sponsor into the fantastic neighborhood that we just had become members. The neighborhood boys had team sports almost daily with plenty of participants and it was always fun to be on Bubba's team, but half the time you were opposing. One time, probably in sixth or seventh grade, Bubba and I were opposing team leaders playing baseball at the neighborhood lot. We just had a heated disagreement on the previous play and now I was at bat. Bubba served me a beautiful pitch that I really connected with. The ball went over the fence, through the Saranay motel's parking lot into Woodward. I ran the bases and when I stepped on home, here was Bubba charging me from the mound. I thought he was mad and wanted to “pound” me. Instead, he put out his hand and with a big smile congratulated me for a record homerun. That is how gracious a person he was, even back then. He later broke that record with his own blast that rolled across Woodward to Club Berkley's parking lot. As time went on we received our driver's licenses (now I could drive, legally) and I drove my brother Chris, Bubba, and sister Colleen to SHS in the morning. Bubba always came out the front door with his books in his hands and a slice of toast in his mouth. He would have the toast finished by 12 mile road and we would sing “King of the Road”, Sinatra's “That's Life”, “Love Potion No. 9” or whatever else was playing on the radio the rest of the way. I guess you could say I had a good childhood growing up (although I didn't realized it at the time) and Bubba was certainly, a large part of that. Thank you, Bubba. I could go on and on. I look at the web photo and see “the most interesting man in the world”, it is the same pose as the one for our senior yearbook that we rushed from the construction jobsite we were working just barely making the photographer's appointment. I don't remember if we even had time to shower, I don't think we did. Although there was a long period where we lost contact with each other through lazy neglect, I got the opportunity to tell him I loved him at the SHS 50th reunion. I'm thankful for that. My condolences to Carol, David, Tim and the entire Glynn family.

“ I first met Bubba and Carol at a Shrine football game. My wife Nancy (Loewe Reeser/Shrine HS Class 1970) and I were watching Ben play for Shrine. I asked Nancy who was the couple singing the Shrine fight song so heartily and why was the girl (Carol) wearing a Shrine skirt and top. That was my introduction to Bubba and Carol.

Over the years I got to know them and appreciate them for their love of each other and Shrine HS. They were truly a loving couple in love with each other and life in general.

The Reeser boys and the Glenn boys shared many fun memories over the years. I bonded with Bubba at Goodnight Gracies and Duggans once or twice as well.

Bubba was one of a kind. Shrine was lucky to have him.

Carol and boys you are in our thoughts and prayers. Rest in God's Peace my friend.

“ So sad to see this obit. Many years ago, my boyfriend and I were biking in the neighborhood and stopped to admire the neat little windows at the entrance of your family home off Vinsetta. “Bubba” pulled up and started chatting with us. Before we knew it, he invited us in to meet his mom (whom he loving said was a real “beast”). He even offered us a beer ! Who does that?! They were both so gracious and we had a nice chat about families and Shrine. Every time I pass that home, it brings up that beautiful memory. Our chance encounter only lasted a short while, but sure could tell Bubba was a really great guy to know. I'll bet you have many wonderful and fun memories of him. God bless!

“ Carol “Kay” Bubba always called you Kay
Rick and I always had so much fun with you both. From Canada times in Amberley with the Shrine Group and fun Times on the beach with you and your kids. Out west skiing Beaver Creek and happy hour after that. Blue skies purple mountains majesty!!! And then there is Sturgeon Bay , Cross Village and GoodHart days. Ricky and Bubba loved and respected each other As I respect you sweetheart. Please know how much my Heart goes out to you. I love you we are very blessed to have such loving caring men , husband and awesome fathers for our kids.... The first of my four children got married this weekend up north south of Harbor Springs at Bay Harbor this weekend. I was going to take another trip up to Sturgeon Bay. But we were pretty busy and I had no idea that Bubba was that sick. Bubba died “Martin” on a day of rest on Sunday. His favorite day!!!

“ Bubba, Pat and David were regulars at Biffs on Woodward when I worked there as a kid, over 45 years ago. Bubba was a true role model for a young teenager. A gentleman always. Hard worker. And a great listener with a warm smile and a sense of humor to match. He bought my first legal drink at the Rathskeller bar in RO, announcing to the entire establishment that it was my birthday, and that I was now a “real man.” I was both humiliated and honored at the same time. I’ve kept the napkin he and others sign as a souvenir of that night. For decades, I would witness Bubba and Pat continue to mentor young adults, and serve the Shrine High Community. How blessed I was to be among the hundreds here who knew you, and called you friend. Much love and condolences to Carol, and your entire family. Thanks for having such a lasting, positive impact on my life.

“ I look at Bubba’s picture here and I weep. I can’t believe my dear best boy buddy is really gone. This picture of Bubba shows his true self - handsome, great smile and the twinkle in his eyes. We grew up together from kindergarten through high school. We were lucky to grow up in a wonderful neighborhood. I have so many fun and loving memories of Bubba. Our friendship never waned even though we didn’t get to see each other too often in later years. When there would be a gathering of some sort, Bubba & Carol would always be the ones I would be most excited to see, even at a funeral. And now It’s Bubba’s funeral. It seems so surreal. Bubba is at peace and pain free, and that is a good thing! Also, Bubba was loved! Look at all these comments. What a testimony to his life!

“ My family was fortunate to meet Bubba 6 years ago through Shrine Flag football. Instantly from my obnoxious yelling on the sidelines we connected I guess. I thought he was annoyed with me but he told Lindsay and Tim he enjoyed my enthusiasm and from there we would hug and cheer on Patrick, Beckett and our awesome flag team. My parents met Carol and Bubba and became fast friends on the side lines. Those flag football days are some of our best days. From flag to tackle, pom poms and cow bells. Bubba was always a true sign post for me as a Shrine Knight to be admired and an example of the best traditions to be followed. “ Bubba’s “koogie” and fire pit on the side of the Glynn’s house on Fairlawn would be labeled on any map drawn by any of us fortunate enough to grow up in the “greatest neighborhood” during the 60’s. Even at a young age, Bubba was solid. It was always me and him against those rascally “Brabant Boys” (Bill & Rich) in football, baseball (yes, 2 on 2), and basketball. I remember teaching him how to do a hook shot on our basketball court that was on the other side of our garage from the koogie. I was Bubba’s sponsor for Confirmation. I recommended “St. Sebastian”, the patron saint of athletes and soldiers, for his Confirmation Name---and he took it. Bubba and Dr. Glynn solemnly gave me a prized catcher’s mitt. I took it proudly into baseball battles at U of D Jesuit H.S. Through the miracle of time and cascading treasured memories, I felt a gut punch when I learned of Bubba’s death. Reading all of the awesome tributes to his life as a “good man” makes me smile through tears—and I’m sure that St. Sebastian is honored. Condolences and love to the Glynn Family.

“ Our heartfelt condolences to all the Glynn family. Bubba's love for his family and for Shrine was evident in all he did. You all were an important part of my daughter Lauren's life at Shrine, and for that we are eternally grateful. Our prayers are with you always.

“ Bubba was always a lovely, gracious person. I was lucky to share 12 years at Shrine with him. Whenever I would run into him after that, he was always the same, funny, friendly and handsome outside and inside. He'll be greatly missed by all. Carol my condolences.

“ Such a sweet man. My wife and I saw him and Carol at Kruse and Muer in January. I love my wife, but she doesn't warm up to people easily. After our brief catch-up about Shrine Schools, Dave and Tim, and missing the good ol' days of our own Shrine experiences, my wife could not stop talking about his gentle tone, his wife's laugh and his optimistic attitude. She said, "those two truly love one another" and we both could tell they had for a long time. Shrine HS and Academy, it's principal, his wife, and all those he's touched will remember his kindness. Prayers for the entire Glynn family.

“ Bubba was an original, the one and only. There are many stories from our senior year of Shrine football and in most of those stories, Bubba is one of the main characters. We have retold those stories many times over the years and we laughed harder with each telling. On a brisk fall 1968 night, we soaked in the greatest moment of our young lives when we upset unbeaten Divine Child, led by Gary Danielson and Tony Versace. Coach Al Fracassa loved us for that victory and there wasn't a dry eye among us as we gathered around the team bus at Dondero High School. We cried tears of joy. Now, perhaps our tears now can be joyful again: The Lord gave Bubba to us for 69 years.
We love you, Bubba.

“ So sad for the loss of a sweet guy. It was always a highlight running into Bubba in the hallway or anywhere!
May the road rise up to meet you.

May the wind be always at your back.

May the sun shine warm upon your face;

the rains fall soft upon your fields and until we meet again,

may God hold you in the palm of His hand.
