

Rebecca Ann Harper

September 10, 1969 - October 12, 2020

Rebecca Ann Harper, age 51, of Royal Oak, passed away October 12, 2020. Beloved wife of Shawn. Loving mother of Christine (James) Gagnon, the late Shawn Harper, Nichole Harper, Jessie Pena, and Timothy Harper. Proud grandmother of Abigail, Alexander, Benjamin, Riley, and Colton. Loving daughter of Donald Rose. Dear sister of Bob, Ann, John, and Steve. Also survived by many nieces, nephews, and cousins.

Rebecca was undoubtedly super creative, and she loved designing and making things on her Crickut machine that others could enjoy. She also loved all her coworkers at GTB and managed to get along with just about everyone. Above all else, though, Rebecca dedicated her life to her family, and she especially enjoyed spending time with her grandchildren. She was deeply loved, left far too soon, and will be dearly missed.

Please share a memory on the Tribute Wall at www.SullivanFuneralDirectors.com.

“ Becky and I worked together in the Client Accounting department at GTB and also coincidentally also attended Berkley High School at the same the time. Becky will forever be remembered as a hard worker who everyone could depend on. I'll miss you sharing your extra Burger King breakfast sandwich with me in the mornings Becky. Peace be with you darling .

“ I don't even know where to begin with this. Becky was loved by everyone her life touched. She was always someone you could count on, and will be deeply missed by all. The world is a less beautiful place without her in it.

“ Tim, you and your family are in my thoughts. Although I didn't have the pleasure of meeting your Mom, it speaks volumes as to the kind of woman she was to have raised a great guy like you. I hope you are able to find the smallest bit of comfort in years of memories made. Those we love are with us always, when we carry them in our hearts.

“ I had the pleasure of working with Becky in the Finance team at GTB. She was dedicated, smart, hard-working and a valuable, supportive member of the team. She always went the extra mile. Becky was also extremely funny, creative and giving. I cherish the detailed Christmas ornament she made for each of us in our group one year. Above all, her love of and intense relationship with her family was so apparent. She will be sorely missed. Rest in peace, Becky.

“ This news saddened me to the core. She was a second Mom to me growing up. She always made me feel like another one of her kids. I got to go on family camping trips and I basically lived there once they finally moved to Berkley. Chrissy, Nikki, Timmy and Shawn I am so sorry for this tremendous loss. I am always here if you need anything.

“ My heart is broken over the passing of my team partner/best work friend. She was bright, funny, more hard working than anyone could imagine and just a joy to be around. Oh how she loved her family. I will miss everything about her, especially our girl-talks. Our loss is Heaven's gain. It was an honor and a privilege to be part of her life, although way too short.

Love you Becky. Until we meet again.

“ Becky was like a sister to me. We would share family stories all the time. When she talked about her grandchildren, children and husband she was always smiling. God received another beautiful angel above to watch over all of you. Rest in peace Becky. I love you and will miss you lots.

“ I still can't believe that Becky is gone. She was always the sweetest and kind person even when she was only 2 1/2 years old. I got to watch her and Bobby when their grandpa Jim and my uncle died. I remember that Bobby got a hold of someone's sleeping pill at grandma's house and gave it to her. I freaked out and called her mom Kathy and she told me not to worry about it that she would be fine. Needless to say the next day I watched them at my house. You mom eve then was the sweetest and caring person. She loved all of you so much and I know that she is looking down on you and smiling and is now with baby Shawn and her mom. I wish we could have seen each other more than we did, I loved her and will miss her.

“ My heart breaks for all of you. I didn't know Rebecca, but I know Timmy and Nikki through my son, Luke Shepherd. She sounds like she was a remarkable and special woman. There are never any words when God takes someone so very young from us. May God surround each and every one of you with His loving embrace, and may He help you immensely on your journey of grief. One day you will be able to fondly recall all of your cherished memories and you will be able to smile. There is no doubt she is watching over you all.

“ I am at a loss. I am so sorry to see you go. I was truly blessed with what time I was able to know you. You were the best Sister-In-Law that I could have ever hoped for, and more of a Sister to me than even my own. It breaks my heart to lose yet another one of my extended family. Know that your Sister Ann & I will always miss you. The world is a worse place without you in it and the sky is a little bit darker.

“ My sincere condolences to Becky's family.

I never had the pleasure of working with Becky directly, but I remember her warmth and openness. Every watercooler conversation we had revolved around family and our grandchildren especially. What a generous, kind and compassionate lady. She will be deeply missed at GTB.

“ Becky was a very warm and beautiful person that I worked with at GTB. She always brought joy to whoever she was around. Becky loved to share videos and pictures of her grandchildren!! Becky had a special bond with her Finance team and I was lucky to be included in that as I am not in Finance. Becky will truly be missed by myself and a lot of others at work. My boss, Maha Bayen said Becky was sure full of life and what a nice person!!

“ Becky was such a loving, warm, friendly person. She worked hard and was such an asset to her Team at GTB. Becky used to always enjoy talking with us about her Family, especially her Grandchildren. She had such a special place in her heart for them. I loved hearing the stories she'd share about her Family gatherings/events and viewing all of her Facebook posts detailing those wonderful Family times. Becky will surely be missed by her Work-Family.

“ My deepest sympathy to her family at this time. Becky was one of the hardest workers I have ever met. Always willing to help others in any way should could. Her family was everything to her, she made me laugh daily while working with her. Gone way to soon but will never be forgotten.
