

Robert H. Giles

March 24, 1932 - April 24, 2021

Robert (Bob) Harry Giles, age 89, a longtime resident of Royal Oak, passed away on April 24, 2021. He was born in Green Island, New York, to Harry Giles and Ethelyn Hakes Giles. Bob received his undergraduate degree from Baldwin-Wallace College in Berea, Ohio and then entered the U.S. Navy where he served for two years in the Hospital Corps. Upon honorable discharge, he taught biology and chemistry in the Clintondale School District and then at Oak Park High School, later earning a Master of Science degree in biology from the University of Michigan. He met Lorraine Weibel in a work carpool, and they married in 1960 at the chapel in Pine Mountain, Kentucky. Bob and Lorraine made their home in Royal Oak where they raised their three children and where Lorraine passed in 1996. Throughout his lifetime, Bob enjoyed fishing, hunting, gardening, and woodworking. He had a passion for inventing, creating, and repurposing materials and processes to make everyday tasks more convenient and economical. With his young family, he enjoyed cross-country skiing in winter, and camping in summer, including a summer-long road/camping trip through Canada and Alaska. Later, Bob met Sharon McCormack, also a teacher at Oak Park High, and they married in 2002 at Royal Oak First United Methodist Church.

Bob was the beloved husband of Sharon Giles and the late Lorraine Giles; loving father of Karen Giles-Smith (Mitchell Smith), Kimberly Giles-Hill (Paul Hill), and the late Kevin Giles; and proud grandfather of Alyssa Bernardi, Georgia Smith, Wesley (Heather) Smith, Jackson Hill, and Alexandra Hill, and great grandfather of Madilyn Smith, Connor Smith and Everly Smith.

“ We are the in-laws of Karen and have many fond recollections of Bob! We attended many family doings at Mitch and Karen's when Bob was there. It was always a happy time. He was pleasant to be around. John remembers the several clay pigeon shoots they attended with Mitch and how much he enjoyed visiting with Bob. We send our condolences to the family He will be missed by all that loved him. John and Loreen Smith

“ We have very fond memories of our deep associations with Bob and Lorraine and their children Karen, Kim, and Kevin who were our neighbors three doors down on Clawson Avenue in Royal Oak. We can certainly validate the sentence in his obituary which reads: "He had a passion for inventing, creating, and repurposing materials and processes to make everyday tasks more convenient and economical." Bob could aptly have been called "The King of Reusing, Recycling, and Repurposing". His passion for science made him a great protector of Mother Earth. When we were having our oil furnace replaced with a gas furnace, the company doing he job said they would be removing the old oil tank. Bob asked if he could have it. The tank was dutifully hauled down to the rear end of his back yard. I believe he used it to house spent oil when he himself changed the oil in his car and other machinery. His passion for science made him a great protector of Mother Earth. The world is a better place for his having been here. We are so grateful that our paths crossed. Kathy and Larry Howell

“ Hi Mr and Mrs Howell!

A few weeks ago, Dad and I were reminiscing about neighbors living here when Kim and I were growing up. We wondered if you might still be living in the metro-Detroit area. It's so good to hear from you! I have never forgotten, Mrs Howell, how you helped me with math homework in 8th grade when Mom was in the hospital--thank you! Kim and I love the story you shared about Dad's repair/restore/reuse antics, and your sentiment that the world is a better place!
