

Roberta Ila Scott

September 25, 1939 - September 23, 2021

Roberta Ila (Reynolds) Scott, of Royal Oak, passed away on September 23, 2021; peacefully in her home surrounded by loving family. She was born September 25, 1939 and just celebrated her 82nd birthday in heaven.

She was the daughter of the late Elmer and Hazel (Chilson) Reynolds from Ferndale. Mrs. Scott is survived by her 3 daughters - Keely Borawski, Dawn Sdao and Jenelle Scott . She leaves behind 4 grandchildren - Shaun Clark, Ashley Vetrano, Jessie Scott and Alaina Sdao. As well as 4 great grandchildren - Skyler Clark, Bailey Risch, Hunter Risch, and Audrey Prater. She is also survived by siblings Roger Reynolds and Joyce Davis. She was preceded in death by her husband Richard Dee Scott and grandsons John Anthony Sdao and Trey Borawski.

Roberta was an amazing, strong mother raising her 3 daughters after Richard's death in 1975. She'll be remembered and cherished as a caring, generous mother always there for her family. A friendly, fun loving woman adored by her friends and anyone she's come in contact with. She had a wonderful sense of humor.

Roberta enjoyed "Music and Dancing" immensely. She was very active and enjoyed walking in her neighborhood or at the senior center. You'd see her at Flea Markets, Estate Sales and Garage sales looking for a treasure. Collecting antiques was a passion for years; rescuing many a shabby antique doll who found a good home at Roberta's. She enjoyed being in nature and gardening in her yard. Her backyard swing was a joy. Her yard critters and birds were very special to her. No words can described how much she will be missed.

Roberta will be laid to rest at Oakview Cemetery Royal Oak, next to her husband Richard.

In her honor, please consider making a donation to St Jude Children's Hospital or The American Cancer Society.

“ Bertski

I had the pleasure of meeting Bert in 1977. She became a good friend of mine and we had many long conversations, lunches/dinners, shopping excursions and a lot of laughs. She was kind hearted and had a strong love for her family. I'm lucky I got to spend some quality time with her in the last months of her life. I was very touched by the devotion, love and care she received at home and I know how much she appreciated the selflessness of her daughters.

I will miss your smiling face. Fly high my friend.

“ My Dear Roberta,

I Remember Meeting You For The First Time And You Were So Petite Full Of Laughter And So Young Looking. I Remember Asking Dawn Are You Sure She Is Not Your Sister and We All Laughed So Beautiful Inside and Out. I Know You Are In Heaven With All Of Your Family And Are Looking Down On All Of Your Earthly Family And Watching Over Them. May You Rest In Peace.

“ My mom. The strongest woman I know. The most genuine down to earth soul. She was my best friend and mother at the same time. So loving and caring, so much fun to be around.

Her personality was amazing and people really enjoyed her.

I'll think of her every day and never forget the many many wonderful moments we shared.

“ My grandma was the best grandma ever I love her so much and I have millions of amazing memories I will never forget with her she meant so much to me and always will and I miss her so much. She was a lot of fun to be around and a very amazing nice caring loving woman. She helped make my childhood and going into adulthood very good to look back on. My heart aches and can barely comprehend the fact that she's really gone and how I miss her so much and don't know how I will get through this. But knowing that she's in heaven and happier than ever with her loved ones that right there helps me a little bit. She is having a much better experience up there than her last year on earth in pain. She is the type of woman that everyone wants to be around and the type of grandma that everyone would want. I will forever remember her as the best grandma ever and will cherish all of the many amazing memories with her forever.
