“ Diane and Ron started out as neighbors in Florida, but quickly became best friends. . We shared good times and sad times, and Ron was always there with help, a funny story, and many jokes! Everyone loved Ron..he was such a “people” person. Thanks for so many wonderful memories, Ron. RIP . You will be missed!

With our love and prayers,

“ Mr. Ewert was the best. He treated everybody like they were his family. I can remember countless times over at the Kingmont house where he would welcome everybody over for dinner. I will truly miss him.

“ A loving husband, who held his wife on a pedestal. A devoted father who taught his children by the example he lived. A true Christian who feared and loved God all his life. And a man who touched so many lives, including strangers in passing. May you rest In peace and celebrate with your Father.
