“ I just found out of Shonece passing . She was one the most genuine and wonderful people I knew. I am so sad and am keeping you, Mr.Benny and the family in my heart.

“ To the family of Shonece,
I was so sorry to hear about Shonece passing. I used to see her teaching a Zumba class on Monday mornings with the seniors at the Washington Township Hall. She'd have a smile on her face and was was having such a good time. It was evident that she enjoyed what she was doing. During the Covid shutdown last year, the township had made exercise videos that we could watch and workout online. I did many of Shonece's Zumbas videos and had fun. I had hoped that when the classes resumed in the building that I would be able to tell Shonece thanks for making all the videos and that I enjoyed doing them. Sadly, I heard she had passed this past week. I'm praying for your family and asking the Lord to comfort your family during this time of sorrow.

“ I can't believe I'm writing on a tribute wall for my cousin/childhood buddy. Everyone knows with Shonece there was never a dull moment as she was always planning something. I will never forget one Easter Sunday when we were just teens, she arranged for us to be dropped off at the movies. When it was over later that evening, I asked Shonece who was coming to get us. She replied nonchalantly she hadn't planned that far. Obviously, we managed to get home but that was just a sample of how hilarious and unpredictable Shonece was. She had no problem telling you how she felt, didn't hold grudges and I could always make her laugh. Of course I have many more stories, but they will forever remain in my heart along with Shonece's memory of her time on earth.
