

Aaron Stirling McClain

April 2, 2001 - October 15, 2022

Aaron Stirling McClain, 21 years young, passed away on October 15, 2022. Aaron is survived by his loving parents Kristen Crane and James McClain, Jr., as well as his siblings James McClain III, Erik Simpkins, Nicholas (Kelly) Stewart, Mary Stewart, and son Adrian Hassting. He is also survived by multiple aunts, uncles, nieces, nephews, cousins, and many friends.

Aaron was known for his ability to draw people in and make them laugh. He was always ready with a quick and funny comeback. Aaron was working towards furthering his education. He was so incredibly smart; when Aaron was in fourth grade he tested on the college level for all subjects. He even started reading at two years old. It was amazing to watch him solve complicated math problems in his head. Aaron loved music and making his videos and sharing them with his friends and uploading them to YouTube. When Aaron became interested in something he researched it, mastered it, and put his knowledge to work. As an example, he recently started flipping houses. Aaron was creative, talented, generous, big-hearted, and will sorely be missed by everyone whose life he touched.

“ Dear Kristen, I cannot get you off of my mind. I know Laurie would have been crushed to learn about your loss. I'm writing you on her behalf. If she were here she'd be reaching out to you and sharing your sorrow. I'm deeply sorry Kristen and family. Laurie, Susan, and family

“ I remember the first time I met Aaron was at angell. These last four years we became really close and checked in with each other every other month, sometimes more often. I just spoke to you last Friday. Our kids are born exactly a month a apart. We were just talking about how crazy it is our babies are growing up so fast. You had so much wisdom to offer this world, and you ARE going to get your justice. You'll always be a good person with intentions straight from your heart. We'll miss you Forever cheese ☐41☐

“ Aaron.. I can't even believe I'm here typing what I'm about to type. You were the the wild, funny, and knuckleheaded guy I loved. Although we weren't related by blood, we were family, and you know that. I hate that we didn't get more time together, man. I still can't believe you're gone.. I love you, Aaron. I love all of you. Justice will come, and your little man will know who you are.

Speaking on behalf of the Howard Family: Rest in peace to Aaron. We're sending all of our love to Erik, Alex, James, Kristen, and little Adrian, and the extra strength to get through this.
