“ *I first met Adam in 1977 when I started working at the former Chef Choice restaurant(located at 6 1/2 mile and Gratiot). Adam was the head cook and welcomed me with open arms. We became such good friends that I eventually moved in as a third roommate with Adam. We had some great times. We gave Adam a nickname of "Elton"(due to his resemblance to "Elton John". I eventually moved to another location due to work, but I had fond memories of Adam. My condolences to his family and friends. As a Christian, I truly believe that based on how wonderful he treated anyone he came in contact with that Adam has surely been rewarded a place in Heaven.*
