“ My family lived next door to Ada and Ed from the time I was 18 months old until I went into the Army in 1980. She was always like everyone's Grandmother in the neighborhood. I would swim with her Grandchildren Pete, Sue, Patti and Paul in their pool and we would all get pulled behind Ed's yard tractor during the winter on sleds. We had a great time growing up with the Glac's. I would give anything to go back in time for just a day to be in that Neighborhood on Kent Rd. I even miss the apple fights we had in her Orchard. I know that she and Ed are in heaven, they left a special place in my soul.

“ Though we didn't know Mrs. Glac personally, we enjoyed finding her humor in life through her family. We have to smile now and again when remembering certain anecdotes from her life. What a wonderful son and daughter she raised and we are truly blessed to know some of her family and be welcome into their lives. While you celebrate her life, we know Mrs. Glac will certainly continue to live on through the eyes of her children and grandchildren. Our hearts, thoughts and prayers will be with you all through the days and weeks ahead.

“ Ada was our dear neighbor on Kent Rd., in Royal Oak. I remember her kindness and lovely yard. I would stop by many times to talk with her. May the memories you shared with her lighten your heavy hearts once more. God bless and know she is at peace.
