“ Mrs. Webster was my favorite teacher. I loved the way she would look right at you and smile while she was talking. She was a wonderful example of faith and virtue. There is truly a special place in heaven for her. Her family is in my thoughts and prayers. God Bless.

“ Mrs. Webster was such an inspiration to me through the years. She was my first grade teacher years ago at Shrine and she has been there for my family during our happiest times, as well as the difficult ones. She was such a genuine person who always spoke with kindness and sincerity. She had such a knack for remembering names and faces. If there is a "secret" to living a long and healthy life, I believe that Adele knew it and lived it. God bless her family and friends. Adele's memory will live on in all of us.

“ Adele was an inspiration to us all! She inspired me to become a teacher, so I followed in her footsteps. I teach at Shrine! Adele always had a smile to give. The neighborhood block parties will not be the same without her. We all enjoyed her sincere love and friendship. She was a big part of our lives. Thank you Rose for sharing her with us! We loved her so very much. Sincerely, Cathy Miller Oldani

“ Rosie and family, I just wanted to tell you that your mother was a very special lady to me. She always had a smile on her. And would always speak to everyone she came across. But just to let you know as Rosie already does, I watched her everytime I seen her walking in the halls or going to her meals, because she would sometimes leave her walker and I would say, Adele you must walk with your walker, because I don't want no funny business. And she would always say, thank you Ann, and I love you. Well I love her very much and I will miss her smile and there encouraging word. May God bless each and every one of you. Love, Ann R.A @ All Seasons
