“ I will miss Tess and her smiles every day! She always stopped by the front desk to say hello and was such a gracious lady. She was so kind and welcoming to all - a ray of sunshine all the time! I am so glad that our paths crossed in life - When a soul knows peace the heart can sleep. I will miss seeing Tess each day. Blessings to her family and friends.

“ One of my last memories of Tess was the day before her stroke. She and I were in the pool as we were each Monday, Wednesday, Friday. About time for us to leave she said, "It's so lovely in here I don't want to get out." She was a great lady, a good friend, and an inspiration to all who knew her. I was sure she would make it to 100 as she appeared to be in such good health. I will miss her very much and express my condolences to her family.
