“ Tim, Cyndee, Philip and John: Our hearts and prayers are with you on the loss of your mom. She was a very special aunt to us, gave us much comfort and advice, and will never be forgotten. But we know she is so happy in her heavenly home now and we'll see her again some day. Wish we could be there in person. All our love to you.

“ My Aunt Geats...beautiful inside and out. You will forever hold a special place in my heart. May you enjoy a blessed reunion with Uncle Eddie and my mom and dad and so many others who went before. This is not goodbye, just a "so long for now." I love you.
