“ I have so many fond memories of Aunt Agnes, my Godmother. Although I had not seen her in recent years she left a lasting imprint on me many years ago. She and Uncle Bill and the whole Carpenter family were always special to the Simmons family. We are so sorry for your loss and pray that you will find peace in the love that so many had for your mother. My favorite memories of Aunt Agnes were hours spent together in the St John Episcopal Church youth choir. Aunt Agnes served as the children's choir director for many years and always made sure that I was a part of her little singers. To this day I cannot hear "This little light of mine" without seeing Aunt Agnes playing the piano and teaching us the words and hand motions to the song. She was a light in my life and will always be remembered for the love she shared as my Godmother.
