“ So very sorry to hear about Aileen. She was such a warm, caring and loving person. I spent several nights at her home with Darlene. I always enjoyed listening to her talk about her children and grandchildren whom she adored. Also, about her handmade quilt and her collect of rosary's. She loved her beautiful Christmas display, which was beautiful. I will truly miss her. My deepest sympathy to her family.

“ *Aileen has been our neighbor for the last two years. She has been a wonderful neighbor and caring friend. She was always so loving and nice to our children. My son would run up to her every time we were both outside. She would give him a treat or money to buy ice cream. She was a wonderful person and neighbor and we will really miss her. She is in a better place now and hopefully that will bring some peace to her family. Love your neighbor, James and Jenny.*

“ Aileen and Billy were two of the first people in Utica who befriended my parents, Jack and Joan, when my mom and dad moved north from West Virginia...and a lifelong friendship was born. My brother and I can't remember a holiday or special event that the Fisher/Cavalieri clan didn't include us--we were simply part of their family. And we are forever grateful. In the later years my mom and Aileen were best of friends and Auntie Ai was such a blessing to my mom through mom's illness. Auntie Ai--we will miss you, but I'm pretty sure there's a party happening in Heaven as Billy & Aileen and Jack & Joan get together once more. Much love from "The Pippin Kids"...Terri, Jack, Keith, Jill, Carson and Caci
