“ To Aileen's family-- My sincerest condolences. I am so sorry I could not be at the funeral home either Thursday or Friday. Thursday I saw the death notice very late in the evening, and Friday I had a job interview just at the time of the funeral. Aileen was truly my mentor in travel for many, many years. When I had what seemed like an insolvable problem, no matter what agency I was working at, I called Aileen, and she could usually solve it. I know we shall all miss her very, very much.

“ I am so sorry I am not able to be there to attend the funeral. The past few years have been difficult for all of you. Your mother was a master traveller and I will miss the conversations we used to have before her illness took over. I will be back on May 16th and I will be happy to help with anything you might need then. Regards to the twins I miss seeing them. Edie Hoffman
