“ Dear Joyce, I am so sorry to just recently find out about Al's passing. The last I had spoken to him was when Aunt Jo passed. Shame on me for not staying in touch with my cousin. I always thought of the boys often & constantly told my husband I needed to get in touch & share old photos of our fathers when they were little. I always enjoyed my catch-up call with Aunt Jo. Bless you & your family. I live in Ann Arbor, MI , so please feel free to touch base with me if you would like

“Joyce & Family, It was with a sad heart that, we The Shipmates, Family Member and friends of the USS PAWCATUCK AO-108, received the news of Al's passing and joining our departed shipmates on the other side. During this year's reunion we will remember our departed shipmate and pledge that: "Al's march as our shipmate is over...He was a part of the life on board our war ship and now he lies down together in the house appointed for all the living. We are reminded of the Frailty of life and the tenure by which we hold our own. Shipmate Al is no longer will hear the sounds of waves, nor float upon the bosom of the deep...no longer sail beneath peaceful skies...Nor are driven beyond the Angry Storm. We pledge ourselves anew to honor his sacrifices, we cherish his friendship, we are grateful for his dedication to duty, but we promise that he will not be forgotten." Our prayers are with you. Shipmates, Family & Friends; USS PAWCATUCK AO-108 Mark McPherson, Chaplin

“Joyce, May God Bless you and the Kids, our thoughts and prayers are with you. Al was a great man that taught me a lot about being a compassionate union rep and that caring always mattered. It did not matter where I seen him he always made a point to say hi and ask how my daughter was. He will be missed.
