“ My father in law was a man of few words, but had a loving nature about him. He love going to estate sales. Through the years when he was coming to the work shop David had built at our home. I would find little surprises in the greenhouse attached to the shop. There would be a cute little planter or vase. Books on herbs, gardening and sewing. Through the years he would try he hands making beautiful things. Metal art with copper like bikes, flowers and leaves. Ceramics figurines, planes. The past few years he was making jewelry for the female family members. We all have a beautiful hand crafted lovingly made necklace, bracelet, and earrings. They always put a smile on my face and a warm feeling in my heart when I come across one of his treasures in my home. I thank God for putting this wonderful man in my life. Rest in peace Dad.

With Love Beth

*My fond recollection is of Alan playing bingo at The Commonwealth Club with our mutual Scottish friends. I am forever grateful for my Scottish earrings that he made for me, especially the St. Andrew's Cross ones that make our members at The St. Andrew's Society of Detroit envious! I wear them with pride. Rest in Peace Alan.*

Many memories surface as reflections pass of our wonderful past wouldnt trade it for the world.... May the hands of a higher authority open to soothe and comfort the entire George Family thru this most difficult time in life... Rest in Peace Mr George u earned it ...*
