“ Albert and I go back to the 70's, and the car cruising/racing days of old. We were good friends, and we always laughed a bunch. Life got in the way, and we didn't see or talk with each other for a long time. In the last 20 years, we'd run into each other on occasion at [you guessed it] car events.. We'd catch up a little from time to time. I'll have only fond memories of my friend, Albert. The picture is of me riding shotgun with him on Woodward in Car Craft magazine.

“ I will miss my little brother Albert (he wanted to be called). We were phone buddies late at night when people were in bed already. I sure will miss his voice.

The number #1 thing we had in common was cars and gardening, so we had alot to talk about. Al loved his family and the Messinas never forgot him. They send him delicious food in which he loved and would eat every bit of Florences cooking.

Alecia and Anthony were there for him in good times and bad and Anna would be a call away. He so much appreciated them and loved them all.

Till we meet again Albert, I will love you always and miss you say

“ *It will be the little things that you will remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these small things that help to push away the pain and bring the smiles back again.*

Remembering all of the car shows and adventures with the Woodward Cruisers and the 'good old days of cruising Woodward'. The greatest part of cruising isn't arriving at your destination. It's all the wild stuff that happens along the way making memories we'll never forget.

As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. My thoughts and prayers are with you in your time of grief. May your good memories bring you comfort. I cherish the many years of memories. My life is richer having known Alan.
