“ *Alan was a real prankster. When we were kids we saw the movie Jaw's. It was a hot summers day. So as all the cousins returned from the theatre and wanted to go into the lake, there was Alan with other cousins making that frightening sound from Jaw's. I have so may great memories with him.*

I swam between Ron & Alan when I was on swim team. Alan would always smack the bottom of my feet to make me "swim faster"! If it wasn't for Alan doing that & me trying to swim as fast as Ron, I'd likely never have gone to the State competition and ended up at slot 23 in the state of Michigan. Alan will be dearly missed by many. 🙏🙏🙏
