“ *The first time I met Alba was at a Cousin's Picnic. Alba and Julie Martin took me under their wings and introduced me to everyone. They were so good to me. We all had such a great time that I was thrilled to be invited the following year (I wasn't technically a cousin yet). I was always happy to visit this beautiful couple when it was time to make the salami. Alba is in Heaven rejoicing, with family and friends, who have been waiting for her. I know she is smiling.*

“ *The first time I met this wonderful lady, we were at a celebration of my in-laws wedding anniversary in Toledo, Ohio. She and Aldo greeted me and treated me like they had known me all my life. Every time I got to see her, which was usually around Christmas time in Florida, it was the same way. Always smiling, always seeing the humor in things, always positive and caring. She made you feel like you were the most important person in the world. I will miss her, and I pray that Aldo and all the family will find peace in time, and enjoy all the wonderful memories which she was a part of.*
