“ Dear Mary and Family, Lee and I extend our deepest sympathy for you and your family. Al's integrity and strength was the backbone of our Faux Stained Glass Project. He single handily cut every space of our double thick black paper frames for ten 3'x10' window panels. In that 2.5 year project, Al never missed a day and encouraged us in our volunteer efforts. This project would not have been possible without the strength and steadiness of his hands and his artistic eye. Al will be missed by all who have known and worked with him. God Bless Al and his family, always. Cessily and Lee
