“ Cathy, Al, Betty and family I was so sorry to hear about sweet Uncle Al. All of the memories I have of him are happy ones. He and my dad were always in competition to see who could keep a straight face while the other one told a joke. I have to say that sometimes they even shed tears from laughing so hard! What a joy to see them together. I'm sorry for your loss, but know you all will keep wonderful memories of him alive in your hearts forever. God bless and take care Love, Becky

“ I'm so sorry to hear the news. I remember your dad very fondly. He was so much like my dad although he always let me challenge him and I had fun doing it. He is dearly missed! Love you all, Mickey
