“ He was the best Papa anyone could ask for, and even though he's not around to tell me things or help me, somehow he still does. Which only accounts for how amazing Papa was and still is. I love and miss you so much. Your proud granddaughter, Carolyn

“ I first met Al as our neighbor, then he became a good friend , then to my brother-in-law. I have met many people in my life but never one like Al. He was always looked up to, for the way he treated others, He made you feel special, and what ever you were doing he made you feel good about it. His Grand Daughter said it all. any good adjective kind, loving, loyal, respectful the list just goes on and on.

“ *Deb, Wanted to express my heartfelt sympathy for your loss, I know how hard a sudden death in our families can be for everyone. Bob has told me that you are doing ok, I hope that you continue to do so. Will be thinking about you today as Al's memorial is in progress. Peace will find you, it just takes a little time. Best Personal Regards, Mike*

“ *It just seems like yesterday that we were cruising down Gratiot in your 50 Ford Coupe, driving through A&W, Scotts and Jupiter drive-In. What a blast we had at Lakeville, swimming, water skiing and shining for frogs in the middle of the night. I'll never forget the good times we had when we were teenagers, you were like a brother to me. Pat and I enjoyed going out with you and Carole and playing cards or just hanging out together. We will miss you. You will always be in our thoughts and prayers. Your long time friends. Terry & Pat Dodd*
