“ *Pam, Megan, Lindsay, and Alex, You are a wonderful family who treated me as your own for many years and I am at a complete loss for comforting words. Mr. Bordy was a formidable, scary manto a 14 year old girl, yet he accepted me as a fixture in your household and our relationship eventually grew into one that felt loving and familial. I love all of you so very much, and I am thinking of you. I am here if you need me. -Sammy Sage*
