“ I have such good memories with Alex. I will never forget all the good times we had with Alex while working for Ford Motor Company. At that time we were much younger than Alex but he could always keep up with us no matter what we were doing. One time I gave Alex a ride home from work and I could not leave until Alex's wife gave me a piece of pie. Our prayers go out to the Nelipovich family. Rest in peace.

“ Growing up my brother and I lost our dad to Cancer when we were very young. So we never had a father growing up. My Uncle Al was like a second father to us, always helping out when he could. You will always be loved and missed, Uncle Al.

“ Back in 1974 when I first met him, I was a long haired young man without a stable career. It would have been easy to dislike me for my appearance or the fact I was going to marry his daughter without a college education but he made me feel right at home from day one. My father in law had a way with people that left you feeling like you had just met an old friend. I will miss his humor and his smile... I will miss him.
