“ You were there through some of my hardest days and I enjoyed every conversation we had. You gave the best advice. You always made me laugh and smile with your silliness. I won't ever forget you or your laugh. May you rest peacefully Alex. You'll forever be loved and missed..

Didn't know Alex that well but he was the life of the party. What a great guy, he will be missed. I lost my only brother also at a young age to addiction. It's so sad. Praying for this family
