“ Son, I am so sorry for your loss. I know how hard it must be especially since Grandma has barely been gone 2 months. I hope you have comfort knowing that they are in a better place, NO MORE PAIN. I know you are sad that you were not given a chance to say good bye to Papa, not knowing he was so sick. I know how unpleasant it was to find out via FB that he died. Just know this. You are loved and Papa loved you. You have done nothing wrong. You can not control others words or actions. Alex, just keep being the strong, respectful young man that you are and hopefully they will learn by your actions what family really is. I love you and there is no "My Family" / "Your Family" in "Our Family"!!
