

Lexy Hailey Hinton

February 2, 2001 - August 2, 2021

Lexy Hailey Hinton, 20, was taken from us on Monday, August 2, 2021.

Lexy was raised by a single mother (Kristy Greene) and to anyone paying attention, that was easy to see. She was full of energy and always down for an adventure. Skydiving, roller coasters, boats and sandy beaches, you name it, she'd do it.

Dimples and giggles were a part of life when she was around and her spirit was so contagious. A mini-version of her mother with a few other key influences in her life, Lexy had a way of getting along with almost anyone. She worked harder than most her age as she was more driven and mature than the average teenager. As someone who grew up fast and with adversity, her heart was full of compassion and love and she was courageous enough to own it, regardless of outside opinions. Strong willed, stubborn, beautiful, sarcastic, sweet, intelligent, funny, caring, generous and first class all day long. Every time the sun shines in the sky, I will assume it's bright because she is smiling in heaven. Rest in Peace, honey.

Memorial visitation will take place on Friday, August 6, from 2 - 8 p.m. at Wm. Sullivan and Son Funeral Home, 705 W. 11 Mile Rd. (4 blocks east of Woodward), Royal Oak. Memorial service will take place on Saturday, August 7 at 11:00 a.m. at the funeral home.

In lieu of flowers, memorial contributions are appreciated and can be directed to Thomas Richards Charity, P.O. Box 71136, Rochester Hills, MI 48307 or to the following: <<https://gofund.me/52495f0a>>.

“ Oh Lexi, you will be so missed. Every family gathering was brighter
when you arrived. Your smile would light up the room and your hugs
were always so warm and sincere. From the time you were a little
girl, you never hesitated to join the conversation. It didn't matter if it
was a conversation with adults or your peers, you loved people and
you wanted to be in the middle of what was happening. You had
such a zest for life, it was fun to watch you. Such a beautiful girl,
inside and out. Rest easy and we will see you on the other side.

“ I’m so lost for words. You were always there for me and I wish I could of been there for you in the last seconds you had. I’m glad we never lost touch after high school and you will always be one of my best friends. You will live on in my heart forever and I will never forget the kindness you gave me. You were such a happy goofball of a person and times with you were never dull. I can always look back and have a smile on my face when I think about you. I love you bb 🥺❤️ My heart is broken but you are in a better place and not in pain so rest in paradise and fly high.

“ Oh Lexy. You & I were both new to a new school and somehow within just a matter of a few days we were best friends & inseparable. Our days revolved around each other. Even after you moved again, I'd come out and spend weeks with you. We shared so many memories together & even after not seeing each other for a while we still stayed in touch. I don't think I will ever get over this. You were the kindest soul and the bestest friend I'd ever had. I love you & I'll always carry you in my heart. I'm so sorry I didn't make an effort to come and see you. Guilt is a real thing.
