“ A great guy to work with. Always shared what I had to say. I was an electrician at Sheldon Road Plant back in 1985~1998. He was the same age as I am. He will be missed. Prayers go out to the family and friends of Al. Jim Bailey, Albany, NY

“ We will pray for Al's eternal soul and for his family. He was such a kind and gentle man... May God bless him always! I will fondly remember Al from the times we had together on the Electrical Standards Committee where he contributed greatly. I'd hoped to go trout fishing with him someday, being just recently retired. There is this little 'Fisherman's prayer' ... perhaps it will bring some warmth:

*I pray that I may live to fish
Until my dying day.
And when it comes to my last cast,
I then most humbly pray:
When in the Lord's great landing net
And peacefully asleep
That in His mercy I be judged
"Good enough to keep."*

With Sympathy, Scott & Gayle Jackson

“ *Al was one of the most brilliant gentleman that I have ever had the pleasure to work with and every time I worked with him I learned something. My sincere condolences and my apologies in advance for not being able to pay my respects in person as I am working in Illinois for Chrysler at the moment. So very sad at his passing.*

“ *To the family of Alfred Michelini : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.*
