“ *Dad, Thank you for being such a great father to me. You taught me how to fish. We use to have so much fun fishing at our favorite spot. You taught me the love of baseball. I remember our first Tigers game together Father's day 1982. When Lou Whitaker got up to bat and I thought everyone was booing him. Then you explained they were saying Looooo. Such great memories I have of all are games over the years. I love more than words can say. But I know you will always be with me. Love you forever.*
