“ To Larry, Joan and Family, Larry, your mother always held a special place in my heart. Since we were young kids your mother and Dad were like second parents to me. Coming from a broken home it was always great to be a part of your parents life. I will always remember the trips to the family cottage ôUp Northö as a kid and to the good times I had there. Your parents as den leaders in Cub Scouts, your mother making popcorn when we watched the hockey games on TV, to your dad coaching our baseball team, and allowing me to be a part of a team are some of the other things I always will remember. Also, Alice was the first mother I remember that really enjoyed sports both in person and on TV. Not too many women were like that in those days. It was something to see her get excited watching sports. You had her as part of your life for many years, and that she did not suffer any serious illness in her later years, I am truly thankful. May God bless her soul. As Always, Bob Elliott
