“ *Brenda, Though I did not know your mother, I do know you. Something was done right on her behalf to have created such a wonderful, loving and caring, daughter, so obviously she was a woman that I would have loved to have known. This time will be difficult but with the strong relationship you have with God and your wonderful husband, that strength Will get you through! All of us, my mother, Alyssa, Darin and I, wish to express our deepest condolences.. We love you.*

“ *It was a pleasure knowing Alice through Knox Church. Sharing the table often at fellowship dinners at Knox. She had an impressive life with all she accomplished but the most notable at this point is her steadfast faith in her Savior Jesus Christ..whom she is now sharing health and perfectness with..Bless all you in the family ..you are in my prayers now. With love, .*

“ *Mrs. Dickenson was a very sweet, caring person. I remember going on base and seeing/watching the airplanes. I also remember going to church with the family. She had such a love for our Lord. When I lost both of my parents she came and knew how to comfort me. She held my hand... I felt such sincere love and peace. I will always treasure those memories! Love to all of you!*
