“ Alice has been a very big part of our lives.
I first met her when my mother and sister who was 10 yrs old then
were living up above her apt
She was so inspirational in getting my mom and sister closer to our
Lord and blessed mother whom she loved so very much.
My mom introduced her to me and I just knew this was a very good
person. I enjoyed visiting with Alice when I would go see my mother
at their apt building She always had a smile and a quick wit as well.
Loved her humor
Miss you Alice Please kiss baby Jesus for me
