“ My wife, Barbara Gabriel Lipton, and I were saddened when we got the news last week of Allan's passing. Our condolences go to all family members -- the ones we know and love and the ones we haven't met because of the geographical distance that separates us. Be comforted in the knowledge that the Heaven we seek exists in the hearts and minds of the ones whose lives we touched deeply. May Allan rest in peace.

“ Another brave and honored warrior moves on....We will miss Allan and his many contributions to American Indian Health. He gave so much of his life and time to benefit AIHFS and its growth. He is deeply appreciated. And he was always available for advice and counsel. To all his family and especially Carmilla, I send my deepest sympathy.

“Dad, Last night before I went to bed, I went outside and looked up at the stars. The sky was so clear. I sat in my chair and I listened to the crickets chirping and the other creatures out there chatting away. Though there is so much pain in my heart, at that moment, I felt at peace, because I knew you were there with me. I miss you and I love you. Love Your Daughter, C
